Dedication

MRS. MARGARET ADAMS

Through paint-speckled glasses, Mrs. Adams has guided myriads of Vanguard students to their zenith of creativity. With her help, students have found artistic inspiration in tape rolls, beauty in scraps of paper, intricate designs in jumbles of string and a world of fascination in the things around them. For her years of interest in the student body, we wish to dedicate the yearbook to this remarkable lady.

The Yearbook Staff

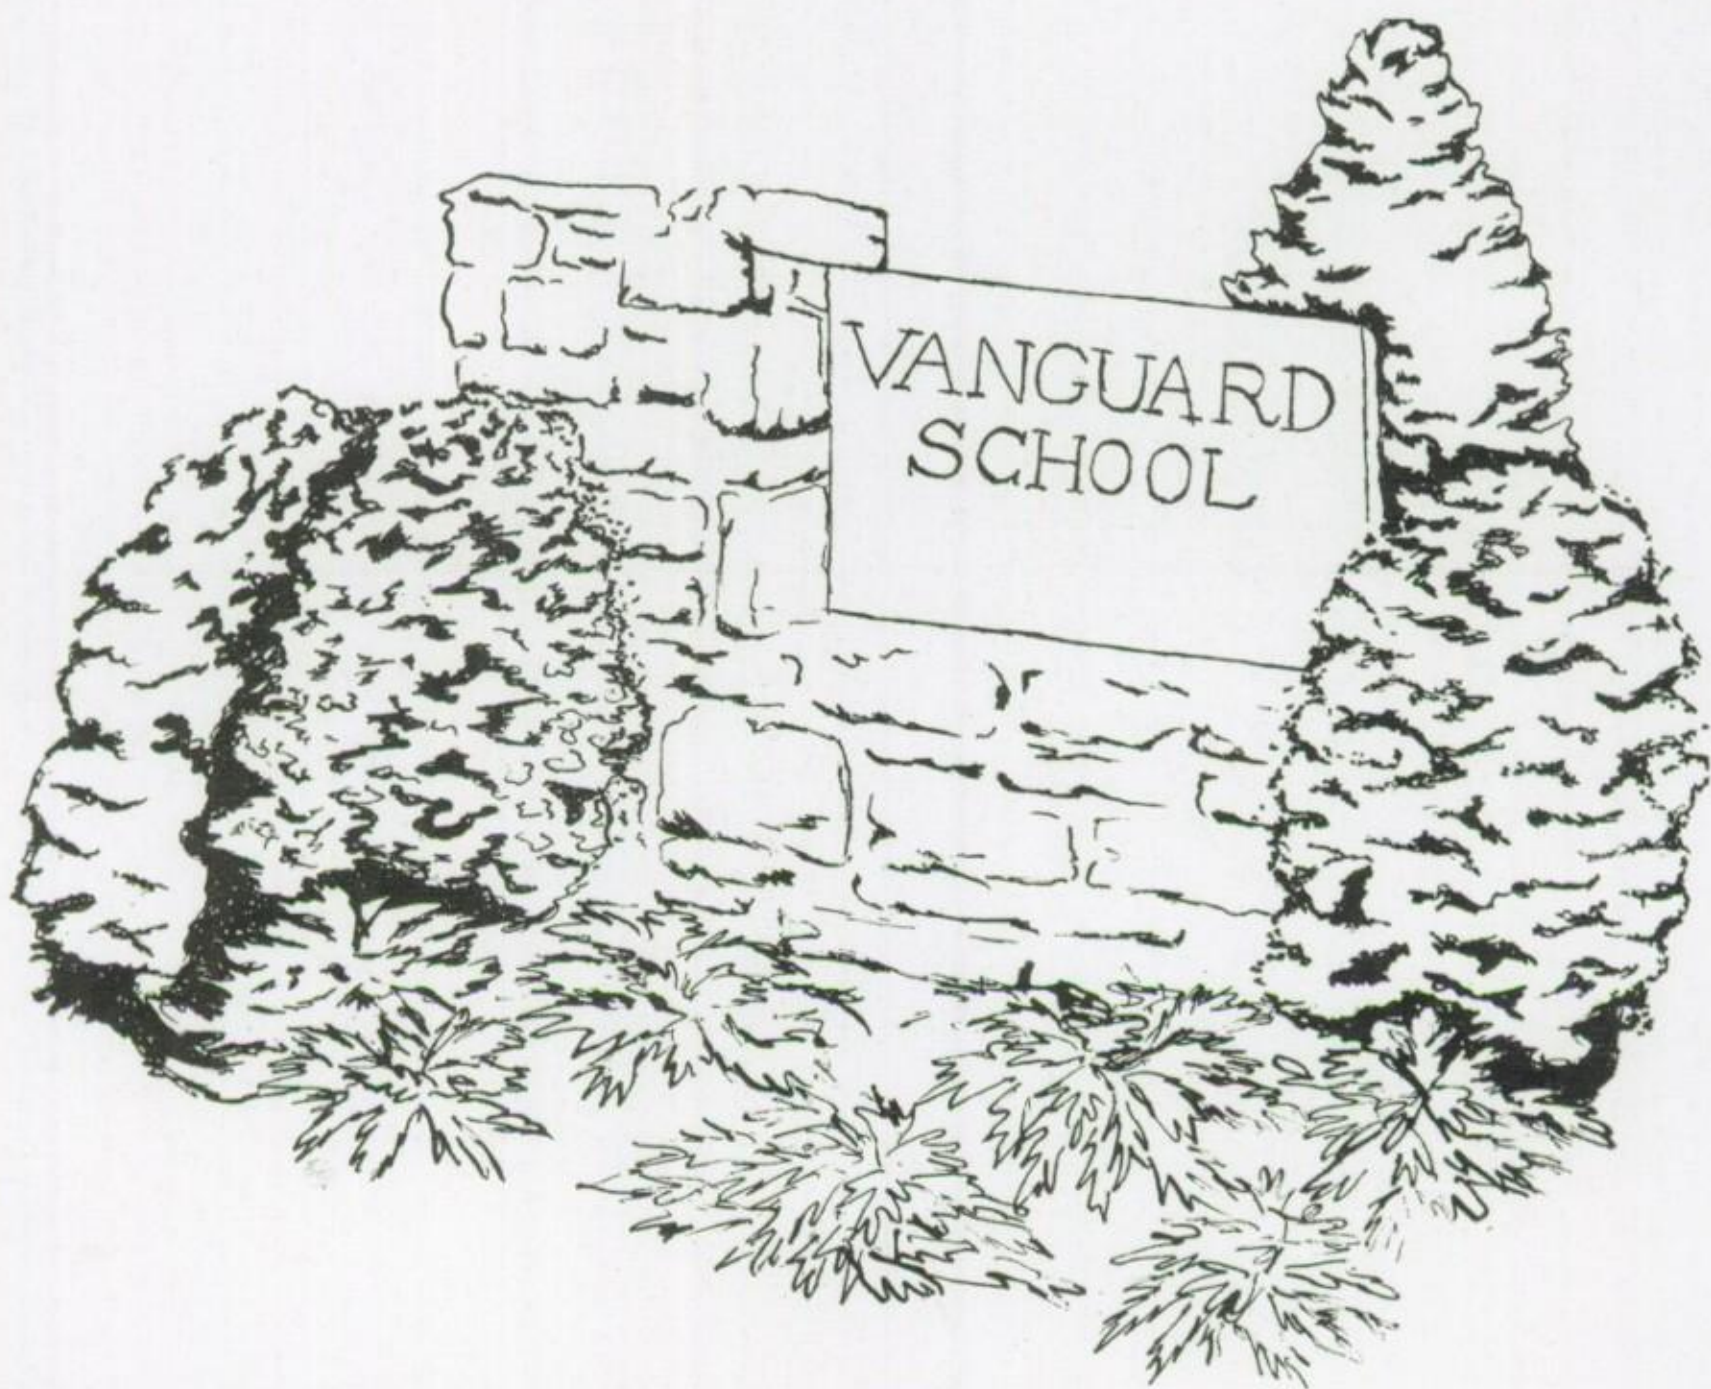

On behalf of the Yearbook Club, we wish to thank the following students who actively participated in the preparation of the 1974 "Torch".

We wish to thank our editor Matthew Tetley who organized the Yearbook Club into an efficient staff by delegating responsibilities to various committees and individuals. A special thanks to our photographer David Reisbord for his time and patience in photographing the students and faculty at Vanguard. In closing, we, the Yearbook advisors, wish to congratulate the entire Yearbook Club for a job well done.

FOOTBALL

Vanguard started out like "Gangbusters" in '73, beating Devereaux 7-6 in their first start.

A week later, we struggled to a 0-0 tie with 1972 division champion, Greenbank.

Our next foe, Dynamic Springs, has always given us trouble since their entry in the Interscholastic League. We managed a 6-6 tie with Dynamic Springs.

Our fourth game of the season was with Hedges. Filled with determination, we buried Hedges by the score of 19-2. Hank Terry ran for two touchdowns and Pete Giordano "pulled the string" on a third down-fourth quarter play for another six points.

Our next time out, against Devereaux, we appeared to be doing well as we sacked their quarterback twice in the end zone for two safeties. In the second half, the tide changed. Devereaux scored on a short running play and went on to defeat us by the score of 6-4.

Later, in a game that included fights and injuries, Vanguard emerged victorious over Greenbank in a 12-6 contest. For the first time since the late '60's, Vanguard was challenging for the No. 1 position in the football division of the Interscholastic League.

We further strengthened our position as we completely dominated Hedges 33-6. Our offense was superb as both Hank Terry and Larry Kaskey scored two touchdowns.

We played our last game of the season before the student body of Vanguard. Our opposition was Dynamic Springs. It was a defensive battle with Dynamic Springs coming out on top. Final Score—Dynamic Springs 8, Vanguard 2.

Overall it was a good year for Vanguard. We finished the pigskin season with a 4-2-2 record.

FOOTBALL

SOCCER

With an almost entirely new soccer team, Vanguard started the season by battling to a 1-1 tie with Greenbank.

Hedges was next. We demolished them; putting it mildly Vanguard 7 - Hedges 0.

Our next game also saw our second shutout in a row as we overcame Glen Mills 5-0.

A quick rematch with Hedges proved very favorable. We overcame them 4-1.

Glen Mills sharpened up after our last outing and we beat them only with two quick goals in the last four minutes of the game. Final score: Vanguard 5, Glen Mills 3.

On December 1st before most of the school, we played our last game. In the first half, Vanguard and Greenbank battled to a scoreless deadlock. However in the second half, we erupted for four goals and went on to defeat Greenbank by the score of 4 to 2.

The first place trophy was ours.

We had completed our first undefeated season.

SOCCER

BASKETBALL

Our basketball hopes, very bright, seemed to get dimmer with each contest.

Greenbank polished us off very nicely 40-29. The banners sagged.

Devereaux, in a hard fought battle, emerged victorious only two days later 28-25. The banners fell to the ground.

A new entry in the league, Carson Valley gave us a good ballgame but we were off stride as we lost 46-45. Bob Waldrop led all Vanguard players with 24 points, a high for the year. The banners disappeared altogether.

But just as our hopes seemed faded altogether, Vanguard turned back Greenbank with an Herculean effort in the fourth quarter, 41-39.

To prove this wasn't a "flash-in-the-pan," we overtook Dynamic Springs by thirty points 57-27.

Evening our record at 3 wins - 3 losses, Hedges succumbed to our bombardment 49-38.

But our star fell again as Roxborough, a Philadelphia public school, defeated us 53-41.

Bob Waldrop sparked our next win with 22 points. In one of the closest games of the season we edged out Devereaux by the score of 42-41.

Vanguard pounded Carson Valley 61-35 in a return match. Frank Collins led all players with 21 points.

In the final contest of the basketball season, Roxborough broke a third quarter tie to win 42-37.

Although Vanguard almost buried themselves in the first part of the season, hard work and perseverance awarded us a .500 season.

Dear ^{Biss}~~Bab~~

Congratulations on another fine year. Your many awards are certainly a reflection of your fine efforts. ("Silence is golden" - HA!) It was a real pleasure to have you in class (besides the increased gray hair & peptic ulcer!) You're a great kid who deserves so much credit for all you've done. It's a real pleasure to know you both as student & friend. Good luck always, *W.D. Armstrong*

SINCERE CONGRATULATIONS TO THE 1974 GRADUATING CLASS OF VANGUARD HIGH SCHOOL

The AMERICAN POWER-UNIT CORPORATION, more commonly referred to as APCO, is located in Toledo Ohio. We are the only firm in the world to specialize in the manufacture of die cast aluminum counterbalancing components and spring engineering services for the overhead door industry. The products and services are now furnished worldwide, and on a regular basis in addition to the entire United States, to clients in Japan, Canada, England, Denmark, Norway, Germany and Mexico.

Our business began in our home in Havertown Pennsylvania seven years ago, and we credit our present measure of success in this period to the close adherence to the words passed on to us by a "Possibility Thinker". We would like to pass them on to you, the members of this graduating class for whatever benefit you may make of them in your own lives.

THE POSSIBILITY THINKER'S CREED

When faced with a mountain
I WILL NOT QUIT!

I will keep on striving until
I climb over, find a pass
through, tunnel underneath-
or simply stay and turn the
mountain into a gold mine,
with God's help!
